Affordable and versatile. Triumph onground pools are the finest available in Canada. Customize your pool with your own finish whether adding siding or burying it totally in the ground. Perfect for a yard with a steep grade. Accessories such as

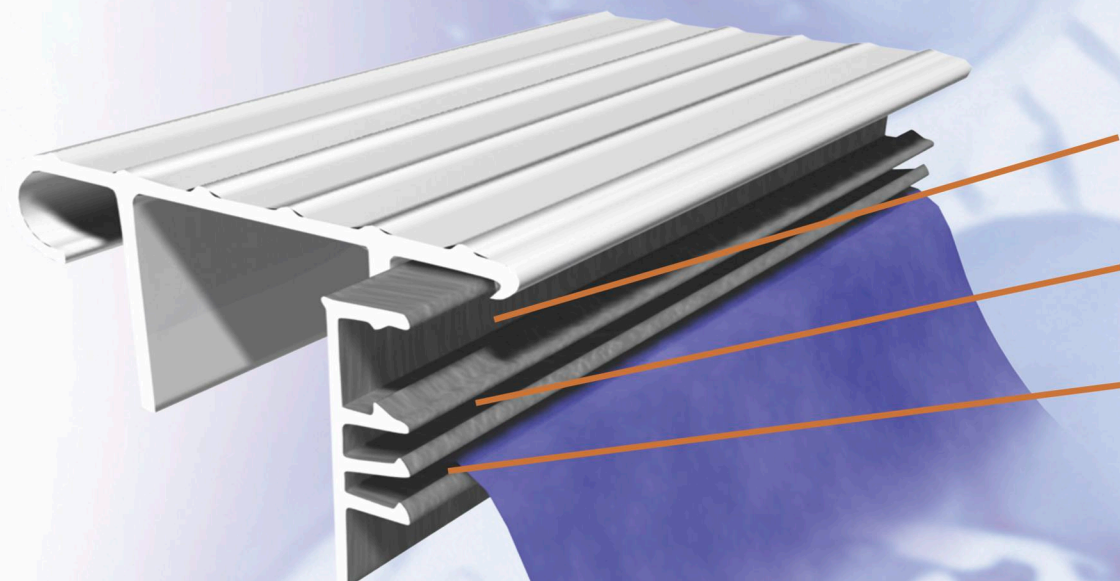

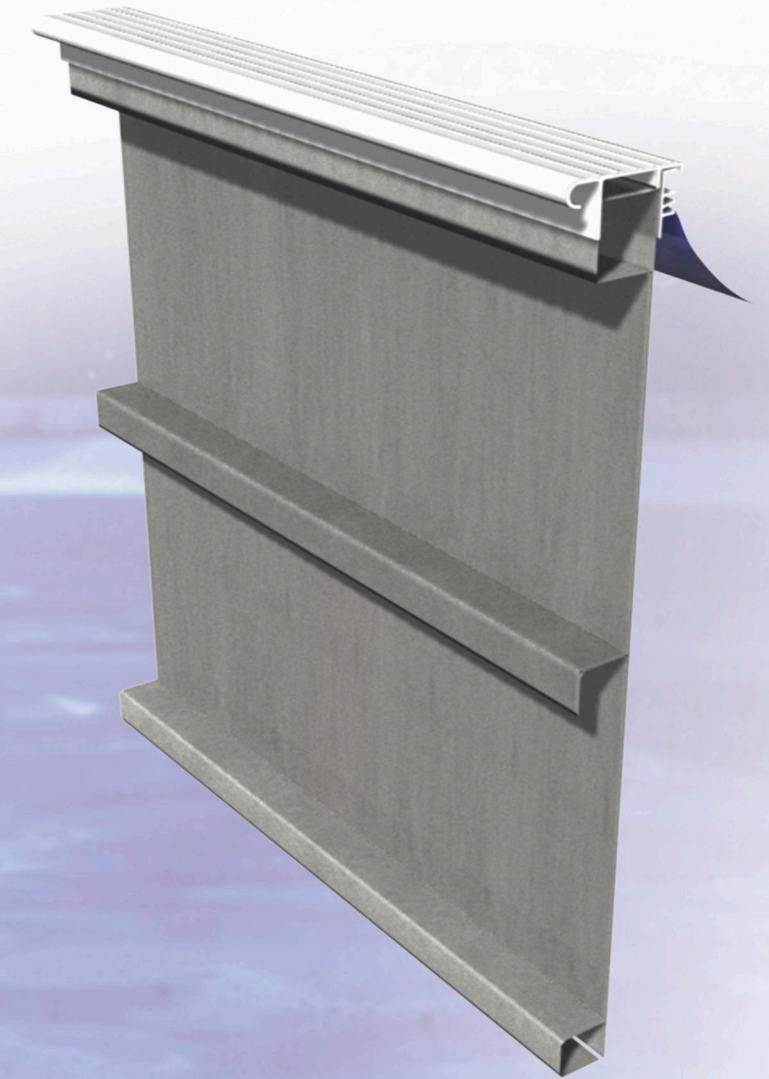

stairs personalize your pool to your backyard vacation experience. With the highest quality and most durable materials this pool can withstand anything mother nature has to offer. Be it a freezing cold windy winter or a hot sultry summer.

# Dyl TRIUMPH

## The Coping

- Aluminum coping - double or triple track option
- Double has a track for a lock-in winter cover
- Triple track allows for winter cover plus fibre optics
- Vinyl topcap to complete pool looks. When not covered by decking has a hook which allows for your own exterior finish (vinyl, wood, etc.)
- UV ray protected

- Fibre Optics
- Winter Cover
- Liner

\*triple track coping shown

## The Walls

- 14 gauge, heavy galvanized coating
- 48" or 52" walls
- Lifetime warranty on all panels
- Canadian made pattern liner with 10 year pro rated warranty
- Attractive aluminum siding available for above ground applications

\*shown with optional vinyl siding
